## **Purpose**

To provide a general guideline for officials to help determine cardable unsportsmanlike conduct from players, coaches, and spectators to prevent extraordinary situations and to provide a safe playing experience for all.

U.S. Lacrosse's definition of misconduct according to 2016 rules, Rule 6, Section 8, pages 50-51:

## **Misconduct**

Section 8. The following are misconduct fouls and must be carded:

Guidelines for Verbal Misconduct:

- Derogatory remarks intended to bully, make fun, or demean any player, coach, or official participating in the game. This includes staff coaching to their own players **or fans to any player on the field.**
- Attempts to sway the official's judgement in any situation including continuous pushback on officials' calls from any participating member of the game resulting in the officials' ability to focus on areas of need.
- Using foul or unsportsmanlike language such as encouraging violence.
- Distracting or derogatory cheers and noise makers in the stands or in the team bench area.

Guidelines for Physical Misconduct:

Guidelines for Appropriate Verbal Situations:

- Questions from bench area or players on the field regarding a call or relaying calls made across field. If the official has the opportunity to quickly address questions they may do so. If unable to address questions, a coach must call a timeout or address at next break in the game.

- Coaching or encouraging teammates loudly in order for players to hear them across field.

### **Guidelines for misconduct situations**

#1: **Verbal** derogatory comments by coaches, players, or fans towards player on the field regardless of opposing or not.

- First offense by fans: verbal warning to administrator. Call an official timeout to discuss with administrator and official partners. Allow the administrator to address with fans and continue the game. U.S. Lacrosse specifically states in the rule book to allow the head coach an opportunity to fix this situation.
- First offense by players or coaching staff: no verbal warning given; call an official timeout and follow procedures for **yellow** carding the specific player or head coach.
- **Second offense by fans: call official timeout. Yellow card the head coach of the offending team or if not determinable card the home team for misconduct. Follow carding procedures.**
- **Third offense by fans, player on the field, and/or coaching staff/bench area: yellow or red card the head coach of the offending team or if not determinable card the home team for misconduct. Follow carding procedures.**
- **Fourth offense by fans, player on the field, and/or coaching staff/bench area: red card.**

#2: **Physical** advancements by coaches, players, or fans towards player on the field regardless of opposing or not or official.
